

2.2 Million Parts Per Year

30 Years In Business

A large, stylized graphic that reads "Digital Catalog". The word "Digital" is in a pink, cursive script, and "Catalog" is in a blue, cursive script. The text is set against a background that is split vertically: the left side is white, and the right side is a solid brown color. On the right side, there are several colorful, glossy, rounded objects in shades of red, yellow, and green, which appear to be part of a product display.

Diagram illustrating a subtraction problem using a rectangular box with rounded corners. Inside the box, there are two rows of ten small squares each, representing 20 units. Below the squares, the subtraction problem is written as: $3 - 2 - 3$, where each number is represented by a group of small squares.

All sales are final on hot stamped goods.
